GALLERY MANAGEMENT RESPONSIBILITY

For the Player:

- **Help Players by assuring fair play and pace of play schedule**
- **Assist Players/Caddies in making their way from hole to hole**
- **Assist Players and Competition Support staff by identifying ball position and, if the ball is outside the ropes, locating and protecting the ball, clearing space for access and next shot**
- **Drop ropes/stakes only when needed or specifically requested (mark location of stakes for re-placement)**

THE BEST WAY TO CONTROL THE GALLERY

- Interact by FACING the gallery
- Get to know your crowd, be friendly and courteous
- Talk to the spectators, let them know what needs to be done —**SET EXPECTATIONS**
- Look around before you speak or give commands
- Make direct eye contact, especially with someone disruptive
- Use firm loud commands, but be polite – **STAND PLEASE** or **QUIET PLEASE**
- The magic word is always “**PLEASE**” !
- Promote physical safety and enjoyment of play

PURPOSE OF GALLERY MANAGEMENT

- **Primary duty is safety and gallery control – noise and movement**
- **Act as on-course ambassadors**
- **Gallery Management is there to allow the golfers to play without interference from the gallery**
- **Gallery Management is in the middle of the action, not to watch golf but to watch, anticipate and control the situation**
- **Spectators are there to watch golf and have a good time**
- **Some spectators can go overboard by drinking too much, becoming troublemakers or acting inappropriately**

ROLE OF GALLERY MANAGEMENT

Remember you are Tournament “Eyes & Ears”

- You are **NOT** the Police!
- Know how to contact a Hole Captain before you need them – cell phones
- Know who in your vicinity has a Tournament Radio
 - Hole Captains, EVAC Drivers, GM Leadership, Walking Scorers
- Common sense and patience will go a **LONG WAY!!**
