

TOURNAMENT VOLUNTEER HANDBOOK

- January 25 - 28, 2023 -

Dear 2023 Farmers Insurance Open Volunteers,

Thank you for your giving your time and energy in support of the 2023 Farmers Insurance Open.

I'm sure many of you, like myself, look forward to January each year in anticipation of what this tournament has come to mean to our community – the top players in the game descending upon the picturesque cliffs of Torrey Pines surrounded by fans from all 50 states and several countries.

It is because of this tournament that the Century Club can showcase San Diego to an international audience, generate revenue for the city, and make a difference in our community by creating programs that benefit at-risk and underserved youth charities.

It is because of YOU that this tournament exists and allows each of us to give back in a fun, meaningful way.

Thank you. Thank you for everything.

Whether you have been doing this for years or this is your first time volunteering, whether you live locally or join us from elsewhere, we appreciate your efforts in putting on a world-class event to better our community.

Jeff Posner

2023 Chairperson

Century Club of San Diego

COURSE EVACUATION

When severe weather is imminent, a single horn blast will sound on the golf course. This means players must immediately suspend play. Most likely, we would have play suspended due to a non-threatening situation like the course being unplayable. You will hear three consecutive horn blasts sound which identify play is suspended but, players have the option to complete the hole. All players have been instructed to go to the pre-staged evacuation vans on the golf course, near their playing areas.

All other on-course volunteers should evacuate the course by seeking shelter in the area closest to their assignment: Cart Barn (near Pro Shop) or Volunteer Check-In. Please hold in place until notified by your chairman. In case of a course evacuation, the Tournament Staff will contact Committee Chairmen who will then notify their committee.
